

MISSOURI BAPTISTS ARE PROLIFE

Missouri Baptists seek to bring glory to God by speaking for those without a voice. Thankfully, Missourians have a history of standing for the preborn by saying "NO" to unrestricted abortion. Efforts to end abortion in Missouri have saved the lives of countless children while also giving loving hope to mothers in crisis.

Now, the abortion industry has poured money into a deceptive effort to legalize abortion in Missouri. Under the guise of a "Right to Reproductive Freedom", abortion advocates seek to enshrine unrestricted abortion into Missouri's state constitution.

However, Missourians know that the abortion industry's motivation has nothing to do with rights, healthcare, or protecting women.

This November, Missourians must once again stand for LIFE and oppose abortion by voting NO on Amendment 3.

- ENSHRINES ABORTION INTO THE STATE CONSTITUTION

- DEFINES *FETAL VIABILITY* BASED ON THE "GOOD FAITH JUDGMENT" OF ABORTION PROVIDERS
